

WHAT IS IFTAR? *Day 7*

LESSON

Iftar is the meal served at sunset to end the day's fast. It is traditionally eaten with family and friends.

Ramadan is often a community affair, with more people attending mosque in the evenings and coming together with friends and family for Iftar. Meals are often shared with those less fortunate.

“

"Whoever feeds a person breaking his fast will earn the same reward as him, without anything being lessened from the reward of the fasting person."

Hadith: Tirmidhi 807
